

Selbings 10 12 1955.

Dear Holt,

I tried to find out about  
Mure Racket in the S.P. Station  
here, but until now nobody could  
tell me anything. They advised  
me to send a letter to the man  
in charge here, and he promised  
to take care of it, but he  
says it has to go through  
channels and is not too optimistic  
about the results.

If you have time, you will  
let me know immediately.

I hope you have a good time  
in Vienna and that you come back  
when you come to Selbings next time.

I might come to Vienna next  
week-end, if I get transportation  
but it is very doubtful, the roads  
being so bad.

Many greetings and I hope  
you will be able to give  
me the information soon!

Yours,
